

Forklift Training Course

BASICS

Forklift training by UK Construction Training can be carried out at our training centre in London. Or, provided your premises or site has both a forklift and area for the practical instruction we can also conduct the training at any location of your choice nationwide (maximum 3 delegates per course) for no extra cost.

All types of forklift training courses are catered for; basic, refresher, conversion, attachment, familiarisation or specific job training

THE COURSE

All courses are a minimum 2 days (depending upon experience) and start between 8.00 and 9.00am and finish at approximately 3.00 – 3.30pm each day. This includes a break for lunch. All courses are fully accredited by ITSSAR and are conducted by experienced and fully registered instructors.

All of our courses comply with the standards that are laid down in the Health & Safety Commissions Approved Code of Practice and Supplementary Guidance for Rider Operated Lift Trucks, Operator Training (ACOP L117)

COST

Price for the training is per delegate, per course and exclusive of VAT:

No of Delegates	Price
1	£700
2	£350
